HIGH SCHOOL DIVISION OF THE HERSHEY INDUSTRIAL SCHOOL

H. I. S. Alma Mater

Our praises unto thee
Rise to the sky.
We're loyal H. I. S.;
Our faith in thee shall never die.
There comes a time when we
Bid thee good-bye.
Hail, hail our Alma Mater;
May your spirit true be ever nigh!

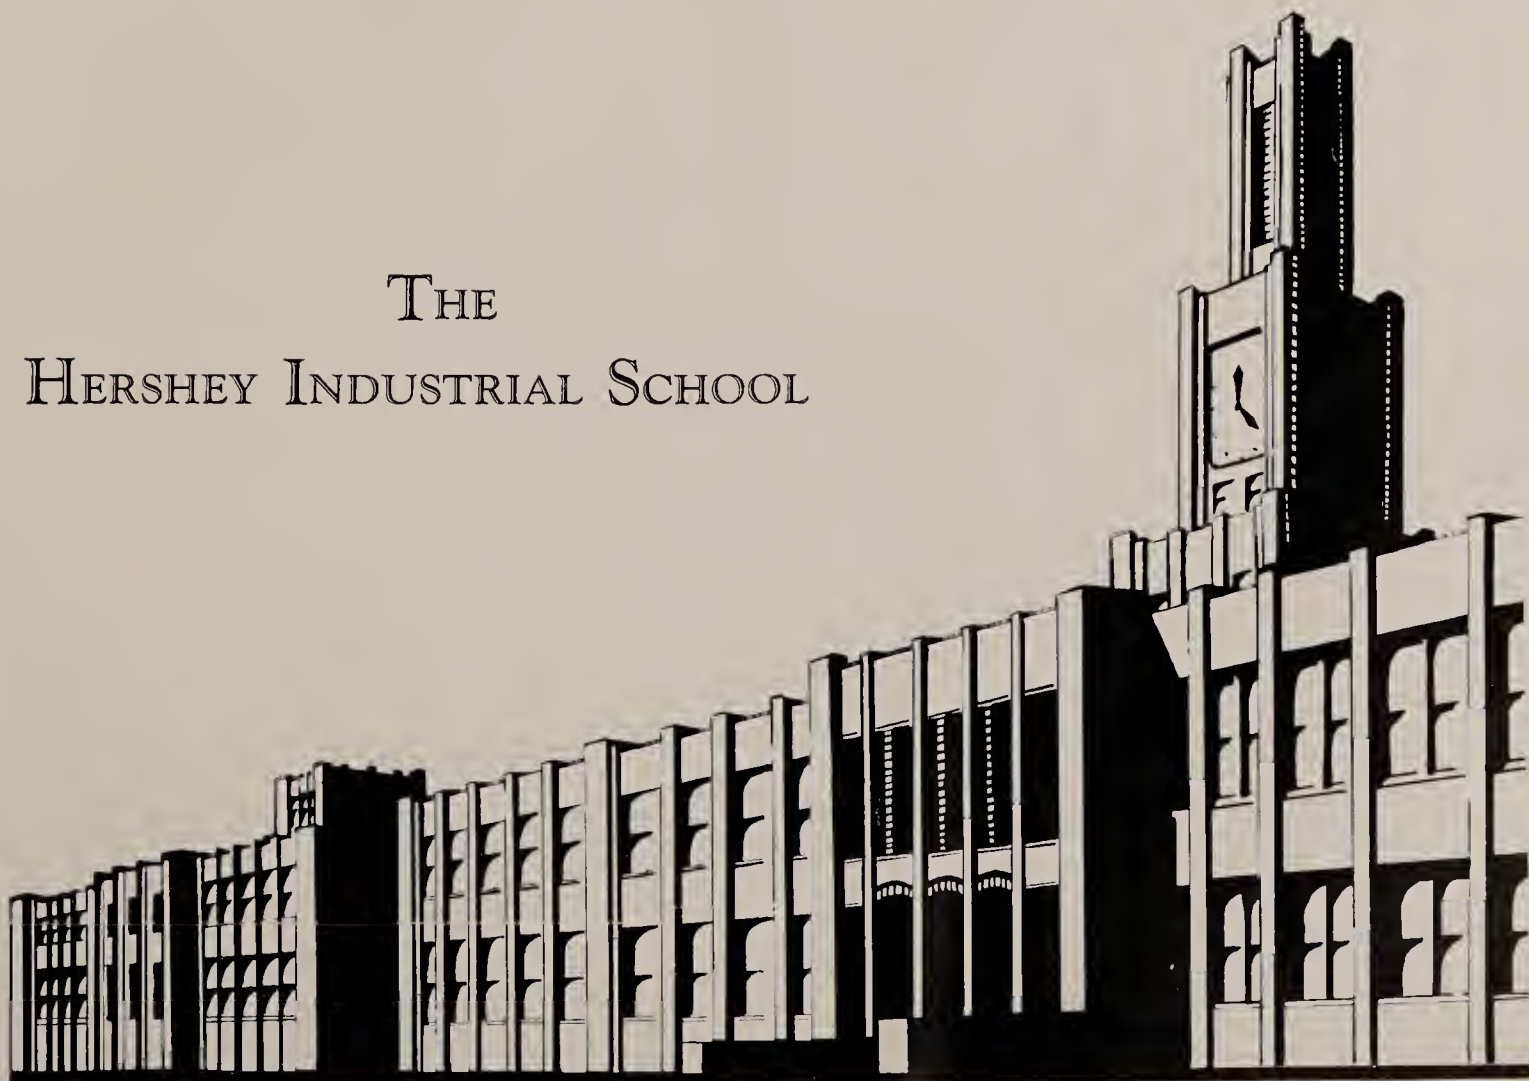

Chorus

Lift your voices, singing of the
school you love so well.
Send your voices ringing over
every hill and dell.
Swing along, with a song;
Sing your praise with voices strong.
Words by Robert Evans, '32

THE ACROPOLIS

1938

THE
HERSHEY INDUSTRIAL SCHOOL

Foreword

Since many of us have spent many happy and fruitful years as members of The Hershey Industrial School, it is now our aim to present in this *Acropolis* a microcosm of our home life, school life, and other activities. This *Acropolis*, we hope, will provide an ever interesting source of reminiscence and an everlasting record of our life here.

Mr. Milton S. Hershey

The first place in the *Acropolis* is proudly devoted to our beloved benefactor, Mr. Hershey. We cannot express in words the deep sense of appreciation which is experienced by each departing senior for the wonderful opportunity that he has given us and for all the things that he has made possible for our benefit.

Mr. George E. Copenhaver

IN MEMORIAM

In this inadequate space we, the Senior Class of 1938, pay tribute to a man whose superior character and qualities made him find his greatest pleasure in his work. Although his physical presence has departed from us, his accomplishments and innumerable friendships, created by his ability to combine the traits of keen robustness and delight in the zest of the out-of-doors with kindly sincerity, will remain as witnesses of one who was a leader and a friend to all—George E. Copenhaver.

Mrs. George E. Copenhaver

DEDICATION

We, the graduating class of 1938, dedicate this *Acropolis* to Mrs. George E. Copenhaver in order to show in this small way our sincere sympathy and deeply felt gratitude to one who has always been an efficient and faithful friend. It is our earnest desire, Mrs. Copenhaver, that we may somehow prove our worthiness of all the help and many services you have given us as your troublesome but nevertheless affectionate boys.

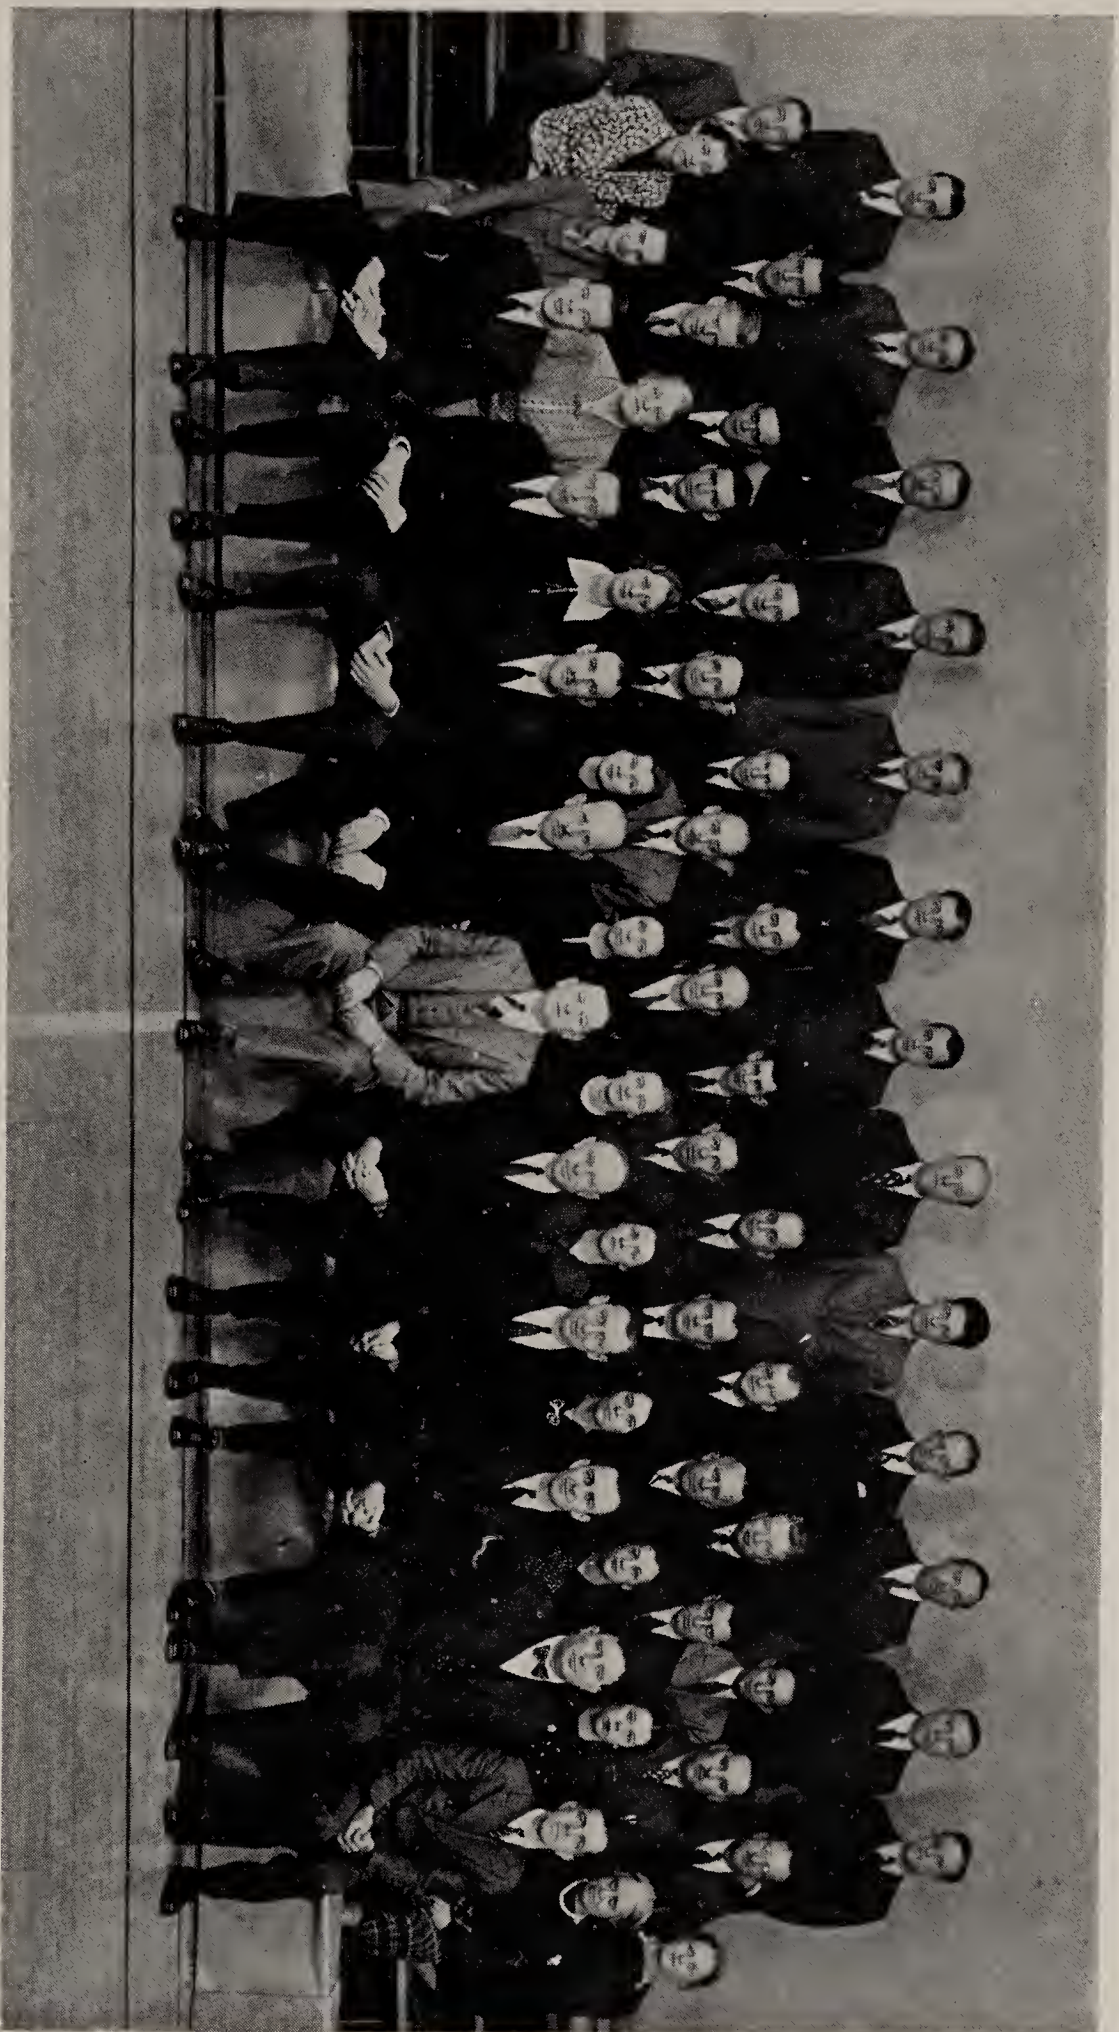

W. Allen Hammond
Principal

Earle H. Markley
Director of Vocational Education

Clair F. Harnish
Assistant Principal

Seltzer, P. K. Shuler, F. D. Hite, F. A. Mincemoyer, G. O. Gerth, L. F. McVitty, C. F. Lichtenberger, A. M. Kinports. **Fourth Row:** J. W. Showlter, J. N. Stauffer, T. E. Rider, E. Dissinger, A. R. Mitchell, J. E. Morrison, G. T. Scoville, J. A. McKee, P. Payne, A. L. Reisinger, C. L. Bickle, T. R. Banks. **Fifth Row:** F. D. Miller, A. T. Gible, R. I. Mumma, E. R. Baugher, E. F. Byrley, P. J. Kleinfelter, G. F. Sandel, P. S. Reitz, W. E. Landis, E. M. Blanken, R. K. Schelhorn, C. Frank, R. D. Giles.

Class History

Nearly four years ago, a group of 112 students arrived at a luxurious high school to begin their freshman year. The thrill of that first day will long be remembered by every member of that class. We were entering one of the most beautiful high schools in the United States. This was the first year The Hershey Industrial School had a high school of its own. We were also fortunate in having an able principal who knew our problems, became a friend to each of us, and assisted us through that terrifying freshman year.

It was now necessary to have teams to engage in interscholastic athletics and to build up a good reputation for our new school. We contributed a few of the less brilliant football, basketball, track, and baseball men. With the help of the seniors, we attempted to defeat the sophomore-junior group in the first and most thrilling of all inter-class track meets, but the finish found us on the short end of a 78-72 score.

We returned the following year with plans as to what profession or vocation we were to follow. We were no longer one large combined class, but were divided into three divisions — academic, commercial, and vocational. This year the inter-class track meet showed a different result, for we, with our junior ally, romped to a decisive victory over the freshman-senior combination. We had outstanding men on every athletic team and participants in many other activities, such as band, glee club, newspaper, and debating.

When our ship docked at the beginning of our junior year, we were not the same care-free lads who were sophomores only a few months before. We were now quiet, thoughtful, and well-mannered. We feel certain in saying that our junior year was the most thrilling and active of our entire school career. One of our first problems was to select our class officers. The following were selected in a complete landslide: President, Burdsall Miller; Vice-President Philip Fratti; Secretary, Paul Burke; and Treasurer, Leonard Kogut. We were again supreme in the inter-class track meet, for with the aid of the sophomores we thoroughly trounced the freshman-senior group.

We were surprised at the beginning of our senior year to learn that there would be only nine months of school for our class. We therefore had the distinction of being the first class to be graduated in May. We also had another first honor, for it was our good fortune to be the first class to complete the full four-year course in our new high school. Our enrollment had decreased from 112 to 89, but it was still the largest class to be graduated from the school. On Halloween we held our first party with the fairer sex as our guests. Still later we had a Valentine Party, and finally the biggest and best of all, the annual Senior Class Party.

We again chose the same officers who had served us so efficiently in our junior year. Now our high school days were rapidly drawing to a close. Having received our class pictures, class rings, and other tokens of school days, we waited for the curtain to fall on what was a glorious and exciting high school career. That final week brought Class Day Exercises, Baccalaureate Services, Senior Class Banquet, and lastly Commencement. We were rewarded with diplomas which showed the results of four years of accomplishments. We ascended from the rank of students to that of alumni.

As we travel far and wide on the highway of life, we will always cherish the memory of our school days in the H. I. S. We also wish that all you underclassmen enjoy the school as we did.

No matter how much we try, we can never find words to express our gratitude to Mr. Hershey for all he has done for each of us. May we take our places in the various fields of work with success and happiness, and may other people be able to look at us and say proudly, "That boy's a graduate of The Hershey Industrial School."

POSTLUDE.....	<i>Inauguration.....</i>	MCCAUGHEY
	<i>Orchestra</i>	

Athletics

FOOTBALL.

The 1937 Spartan gridmen followed in the footsteps of previous Spartan football teams by compiling a formidable record for the 1937 grid season. The schedule was the shortest played by any football team in the school's history, but at the same time it was one of the most successful, with a record of five wins and but one defeat.

Last fall coaches Hoar, Landis, and Gibble were faced with the task of finding men to replace those graduated and to mould a winning team. The same job must be met next season, because the backbone of the 1937 team was composed of men of the graduating class.

The campaign was opened with the Tressler eleven on the home field. Playing on a dusty field under a hot sun, the Spartans rolled up 31 points to the visitors' six.

The Brown and Gold was extended to the limit in its next two contests. Columbia High was nosed out 7-6 on the Park field, but Chambersburg proved a tougher opponent. The only blemish on an otherwise spotless record came when the Spartans were downed 7-0 at Chambersburg. Although our team outplayed their opponents, they found it impossible to out-score them.

The Spartans were not to be denied for the remainder of the season. Stevens Trade, after leading 7-0, was taken 37-7. The Brown and Gold machine reached its best form against the strong Harrisburg Academy team. The Spartans were trailing 7-0 in the early stages of the game, but came back to roll up a total of 26 points, while holding their rivals to their lone touchdown.

The curtain was lowered on the season at Carson Long. There the Spartan gridmen put on a show of triple laterals and long runs to defeat the Cadets 25-0.

The results of the season were as follows:

		H. I. S.	Opp.
Tressler's	Home	31	6
Columbia	Home	7	6
Chambersburg	Away	0	7
Stevens Trade	Away	37	7
Harrisburg Academy	Away	26	7
Carson Long	Away	25	0
	Totals	126	33

BASKETBALL

From Coach Gibble's expert hands came another successful basketball team with sixteen victories and three defeats. The highlight of the 1937-1938 season was a 39-18 victory over William Penn in the Sports Arena. This was our first victory over a big school, and in the same game, Captain Miller, with 21 points, gained the distinction of being the highest high scorer to appear in the Sports Arena. Teamwork was the keynote of this year's squad.

Here are the results of the 1937-1938 season:

		H. I. S.	Opp.
Hummelstown	Away	44	9
William Penn	Away	26	38
John Harris	Home	27	29
Alumni	Home	51	21
Alumni	Home	36	25
Palmyra	Away	25	22
F. and M. Academy	Home	43	19
Hummelstown	Home	60	5
Harrisburg Academy	Away	42	26
Stevens Trade	Away	43	24
Carson Long	Home	51	15
Palmyra	Home	31	22
Lebanon Valley			
College Freshmen	Away	29	25
William Penn	Home	39	18
Carson Long	Away	30	17
Lebanon Valley			
College Freshmen	Home	37	10
Harrisburg Academy	Home	29	41
Stevens Trade	Home	49	18
F. and M. Academy	Away	49	19

With one of the largest Jay-Vee squads in the history of H. I. S., Coach Miller built a successful basketball team from a group of novices. He probably based his ideas of building a team on the saying, "The more the merrier," for he certainly had the "more" part of it, and the "merrier" part came in the results.

TRACK

The track team of 1937 enjoyed a most successful season. The Brown and Gold team suffered but one defeat in six meets. This record clearly shows the caliber of the team turned out by Coach Hoar and his assistants.

The Shippensburg State Teachers College Invitation Meet opened the season for the Spartans. Competing against a large number of high schools, the Spartans scored a total of 46 points to capture the trophy. Our leading point gainers were Fulton, Davis, and Brehm. Fulton collected a total of thirteen points, while Brehm and Davis each scored at least one first place. Brehm established a new javelin record with a heave of 164 ft. 11 1/2 in.

Paced by Fulton in the running events and Brehm in the weights, the H. I. S. track squad turned in their second victory of the season in downing Lebanon High School by a 57-47 score. The Lebanon team proved strong in the distance races, but the Spartans had a little too much for their opponents in the other events.

The H. I. S. trackmen added another victory to their record by conquering Carson Long in a dual meet, 76-30. In winning the meet, the wearers of the Brown and Gold scored points in all events and took all three places in the broad jump and 100 yard dash.

May 15 saw Harrisburg Academy trackmen top the Brown and Gold runners, 51 1/2 to 47 1/2. Fulton again was high scorer for the locals with first places in the hurdles and broad jump and a second place in the 100 yard dash. Jack Bohman, Academy's star, scored fifteen points and broke the javelin record with a throw of 197 ft. 1 1/4 in.

The Spartan cinder-men emerged victorious from a clash with Middletown's tracksters by a 70-38 score. Abe Fulton again took high-scoring honors in his specialties — hurdles, broad jump, and the 100 yard dash — to total fifteen points. The Brown and Gold gallopers took nine out of twelve first places in this meet.

The Conference Meet, held at Lancaster on May 28, was taken in stride by the Spartans. The team took first place with 64 points. The runners-up were Williamson Trade and Stevens Trade, with 52 1/2 and 37 points respectively.

Schedule

May 1	Shippensburg Meet	H. I. S.—First Place
May 4	Lebanon (Home)	H. I. S.—57 Lebanon—47
May 8	Carson Long (Home)	H. I. S.—76 C. Long—30
May 15	Harrisburg Academy (Home)	Harrisburg—51 1/2 H. I. S.—47 1/2
May 18	Middletown High	H. I. S.—70 Middletown—38
May 28	Conference Meet (Lancaster)	H. I. S.—First Place.

Activities

THE SCHOOL INDUSTRIALIST

This year has marked a very progressive era as far as *The School Industrialist* is concerned. In addition to numerous increases in the list of alumni followers, the paper has amassed a long mailing list of people who are not connected with the school. It is our hope that the paper will continue to grow and provide a constant link between the school and the boys who have departed.

DEBATING

Our debating team, which has now become a very formidable member of the Central Pennsylvania Debating League, lived up to its previous reputation by coming through with a very successful season. In addition to the regular team, we now have an eleventh grade team. May their debating seasons always be successful!

BAND

The band will suffer a great loss this year when nearly half of its members leave for other realms of music. However, we are sure that, under the able direction of Mr. Seltzer, the band will continue to build upon the firm foundation which it has established.

SYMPHONY ORCHESTRA

The symphony orchestra, although not quite so well known as the "jazz" orchestra, is nevertheless an organization of hard-working musicians, playing under the direction of Mr. Payne. They do all in their power to stimulate an appreciation of classical music among the students.

GLEE CLUB

The Glee Club, like the band and orchestra, will be losing a large number of its present members because of graduation. We feel, however, that Mr. Reisinger will bring together another group of singers to carry on the work where it will be left off this year.

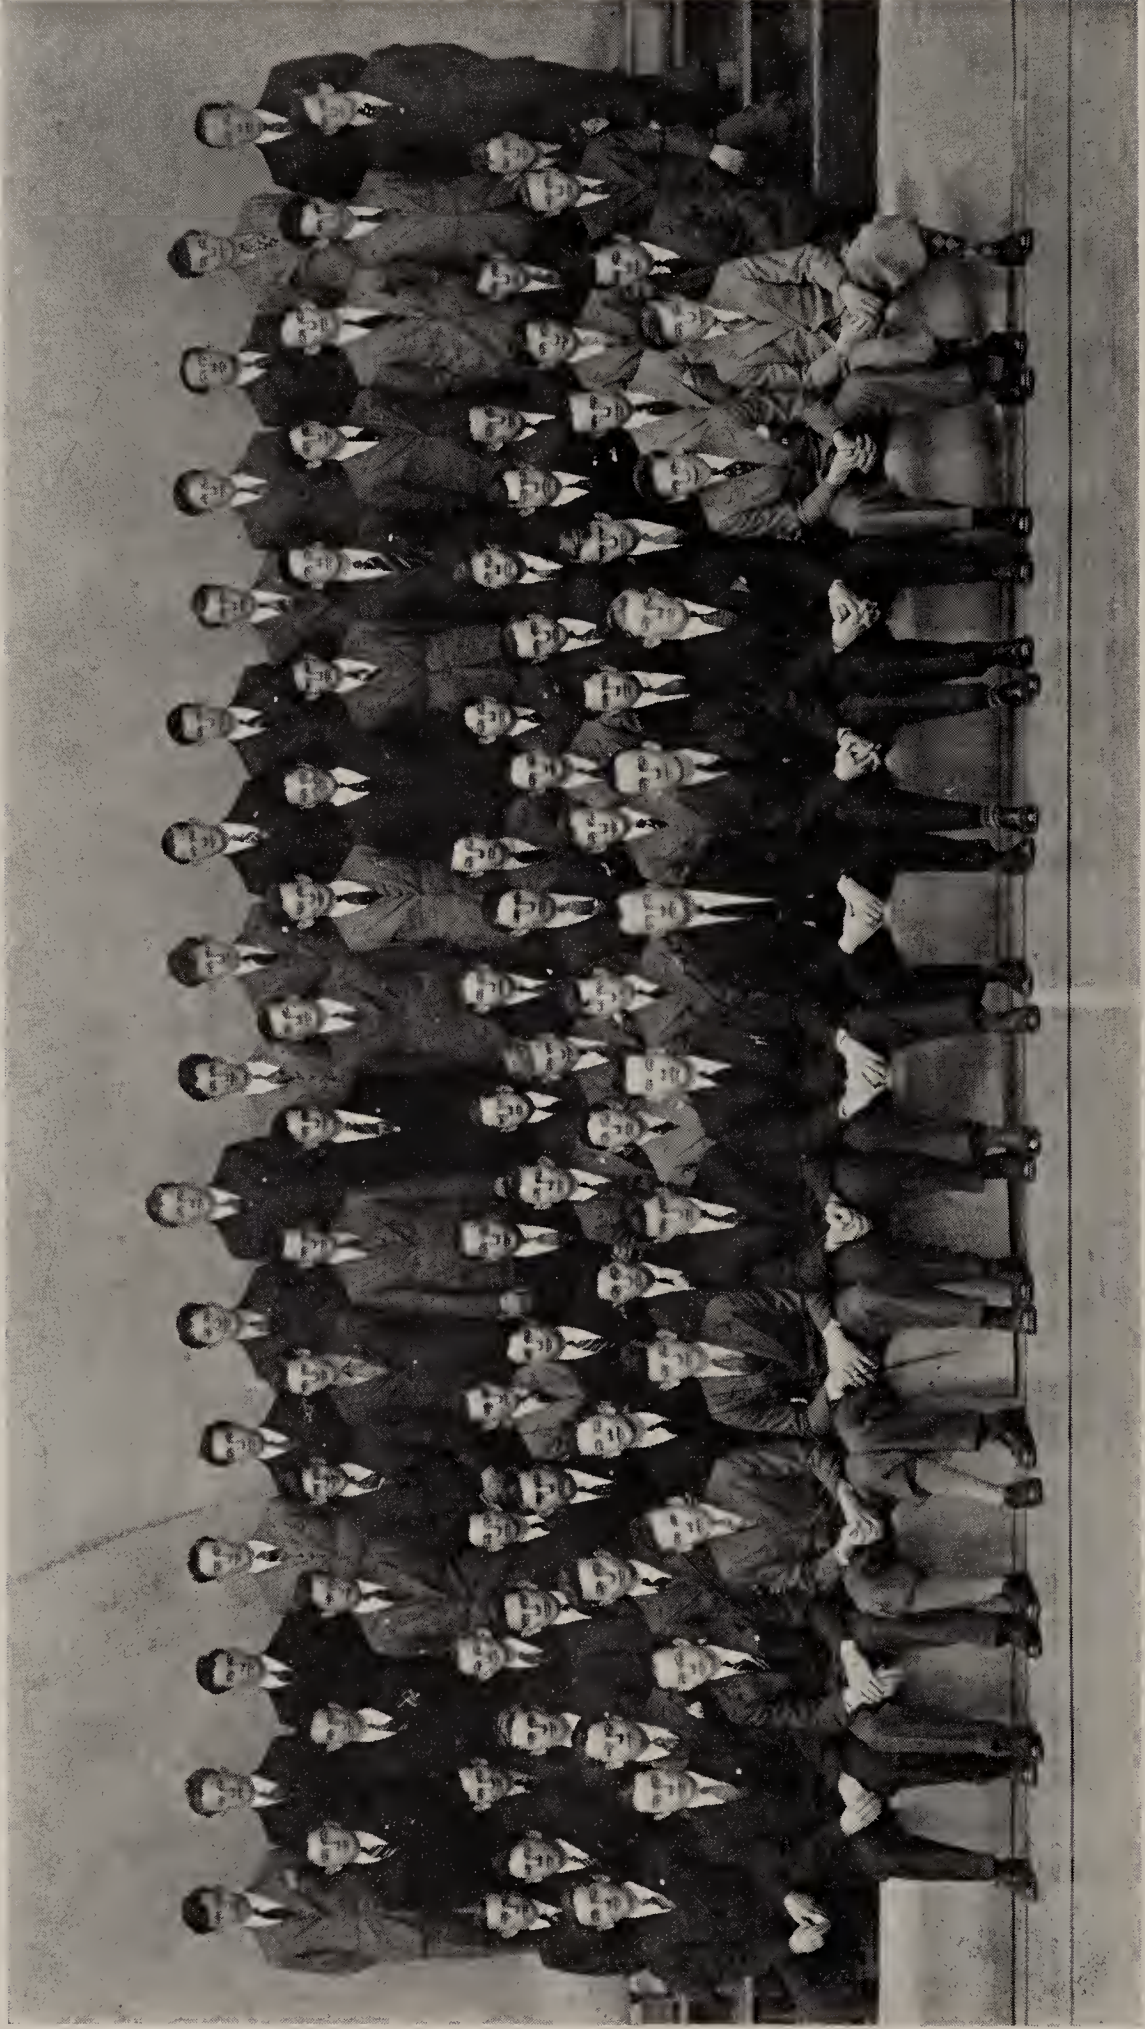

SPARTAN ORCHESTRA

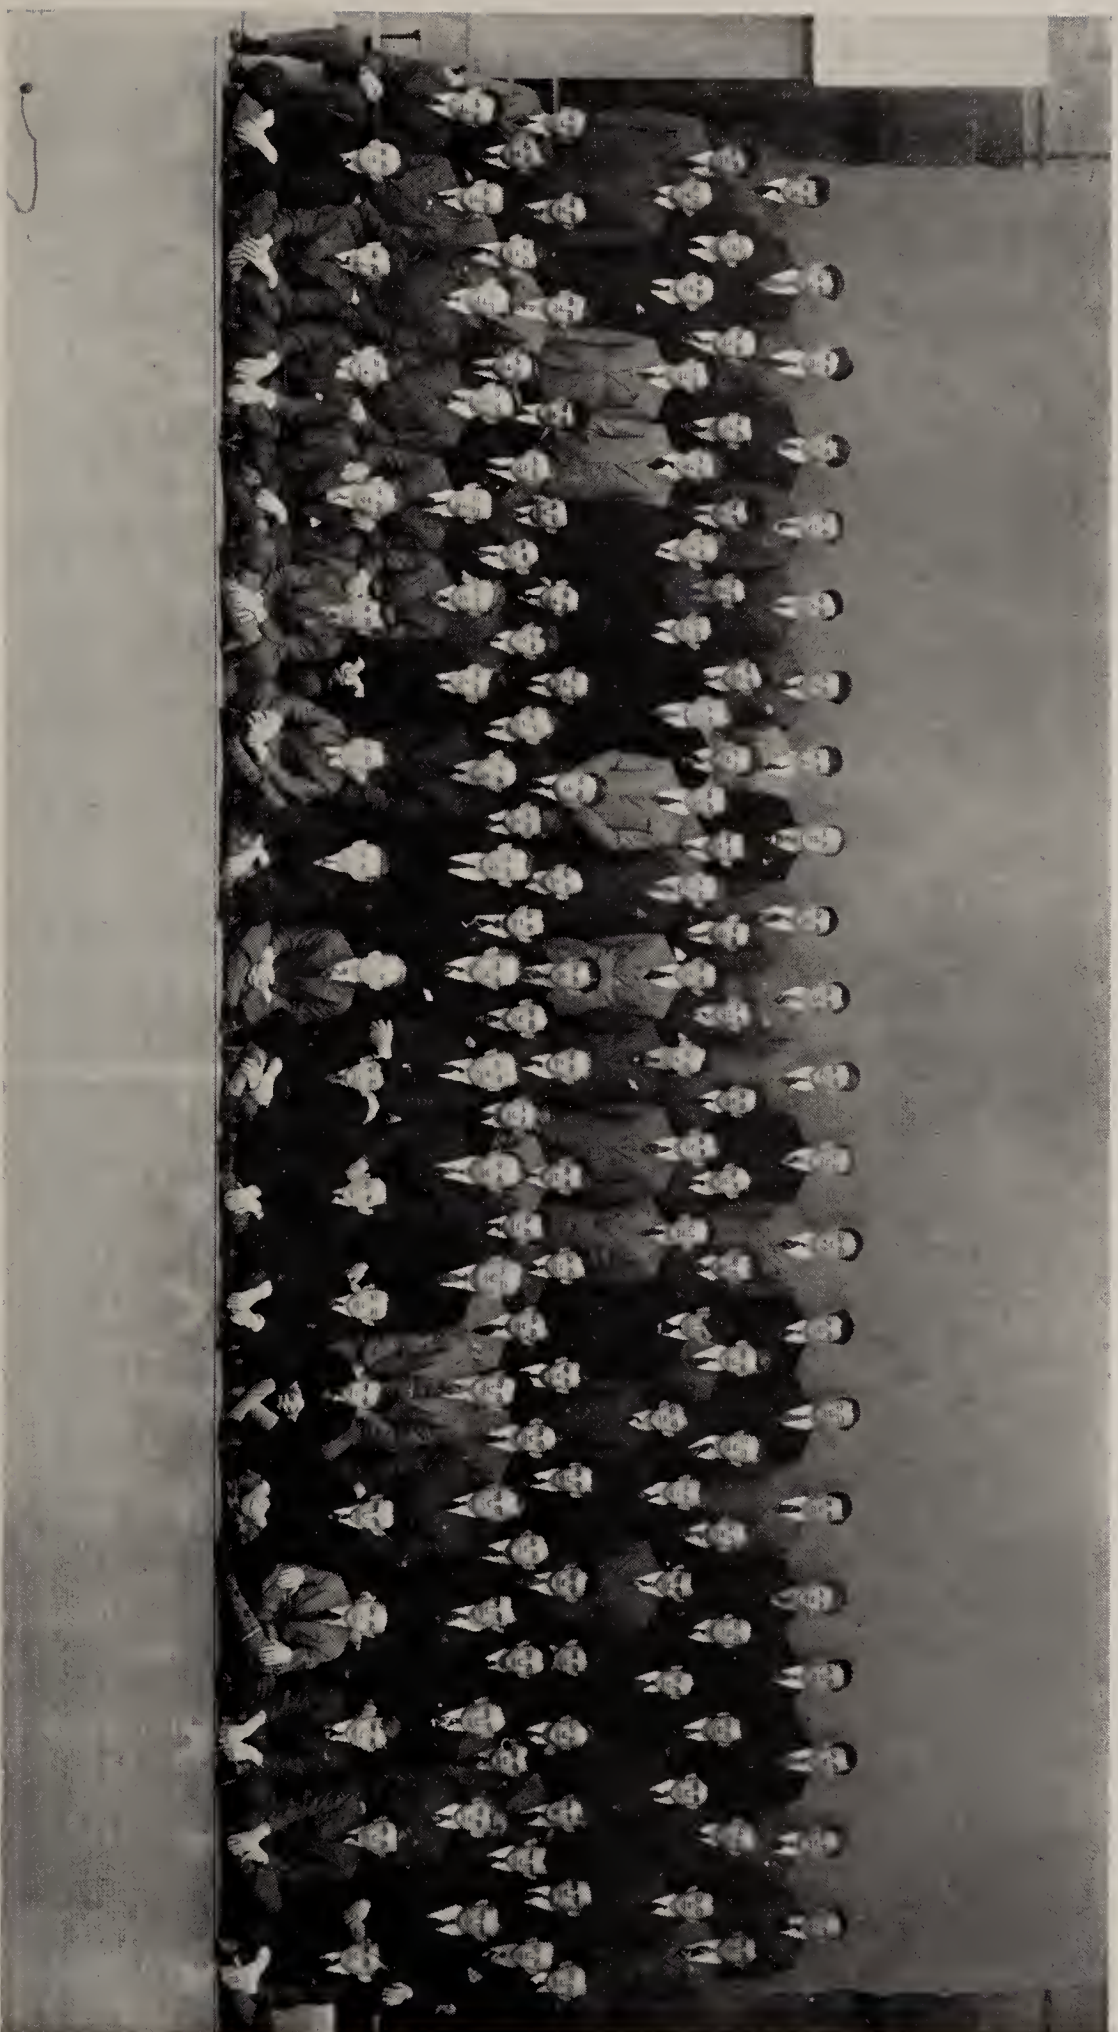

Mr. Payne's "swingsters" have really "gone to town" in the past year, and they have set a record that will be hard to beat. The orchestra will also suffer a severe loss this year as most of its members are seniors.

Underclassmen

JUNIOR CLASS
(Class of 1939)

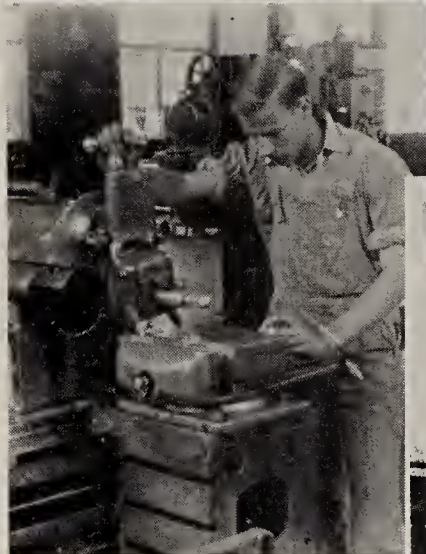

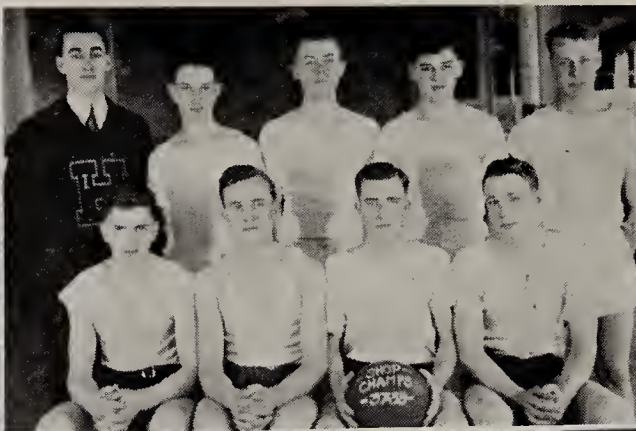

SOPHOMORE CLASS
(Class of 1940)

FRESHMEN CLASS
(Class of 1941)

Epilogue

We hope that we have succeeded in setting forth in this *Acropolis* bits of information and characterization that will help to keep the memory of The Hershey Industrial School forever alive.
